July – Jan / 2024

frontend ◊ backend ◊ server admin ◊ QA

BAGUIO COUNTRY CLUB
Software Developer

> Created multiple systems integral to the back-house functions of the Club, as well as client facing websites. Notable projects include the backend of the BCC Mobile App and the Pet Hotel System. Also served as a system administrator tasked with the configuration and maintenance of local and web backend servers. Was initially a QA staff for 1 ½ months prior to being promoted.

◊ **Hitachi Ltd., Tochigi, Japan**
Technical Intern
Nov 2016 – Dec 2018

> Acquired first-hand experience and technical knowledge regarding the manufacturing processes of refrigerators and aircons. Served in the assembly line as production staff.

◊ **Teleperformance, Pasay City**
Customer Service Rep
Apr 2016 – Sept 2016

> Managed incoming calls for a gaming console company regarding product inquiries, account queries and management as well as general console troubleshooting procedures.

◊ **Int'l Prec. Assemblies, Cavite**
Quality Control Officer
Oct 2012 – Jun 2013

> Served as the final quality inspector for electronic backup battery products, prior to cargo loading and export. Became a cross-channel between line leaders and management staff concerning product defects and improvements.
